

Phi's Top Ten Fun and Obvious Safety Tips

10. Never play bumper cars with your motorcycle.
9. No eating while operating a motorcycle.
8. No Texting.
7. Never argue with the better half while driving.
6. Never argue with the girlfriend while driving.
5. In fact, just ride alone, it's so much quieter, and less nerve racking.
4. Always wear a full face helmet during those hot summer nights, unless you want a snack.
3. Do not ride in a snowstorm, unless you have studded tires of course.
2. When going down a one way street, you should only see the back bumpers of cars.
1. Never, ever, ride a Harley, unless you like to urinate every ten miles.
